YEAR-END RECAP

our story

Endeavor 2 Dream was incorporated in June 2017. The Foundation primarily serves as the philanthropic and charitable arm of the Dulles-Leesburg (VA) Alumni Chapter (E) of Kappa Alpha Psi Fraternity, Inc., especially their Kappa League Program, which targets key developmental topics. Our vision is to serve to inspire youth in the Loudoun County VA area and to address the needs of the broader community.

what we do

The mission of the Endeavor to Dream Foundation is to serve the local community through charitable and educational goals. This is achieved through community service initiatives, mentoring and leadership programs, as well as educational scholarships and grants. The foundation aims to uplift and inspire new dreams, particularly for young African American males, enabling them to reach their full potential.

The primary function is to serve as the philanthropic efforts of Dulles-Leesburg (VA) Alumni Chapter (E) of Kappa Alpha Psi with a focus on youth development and community empowerment through various programs. The Endeavor 2 Dream Foundation provides annual scholarships to the graduating seniors of the DLAC Guide Right Program. We also partner with organizations like March of Dimes and St. Jude Children's Research Hospital to address issues like maternal health, mental health, and childhood cancer.

June 2024, Dulles-Leesburg Chapter of Kappa Alpha Psi recognized for outstanding contributions and celebrated the impact of work on enhancing the quality of life in the community.

Community Partnerships Based On The Grants Awarded

African American Community Alliance (AACA) Awarded \$14,230 grant in enabling E2D contributions to Guide Right Program

The African American Community Alliance works to promote unity, empowerment, and positive change within the African American community and to create an inclusive and thriving environment for its member organizations and the community at large.

Dulles-Leesburg (VA) Chapter of Kappa Alpha Psi Fraternity Inc and Endeavor 2 Dream are charter members of AACA
